# Company Introduction

3watches Co., Ltd was founded in 2006, since its establishment, wide set of professionals, the introduction of advanced production equipment and technology, and constantly develop and innovate, gradually formed a developed, design, manufacture and excellent after sale service for the production of one-stop service system, to ensure that the products of high quality, high grade. With a standardized workshop covering an area of more than 2000 square meters, we have employed over 200 professional staff members, with advanced production facilities, and strong assembly lines in our production process.

To ensure quality consistency, we source components from Switzerland and Japan. To reduce your costs, we source materials from over 20 local suppliers that have worked with us since our establishment. Our monthly capacity is 500,000 units, with over 50 percent delivered to North America and Europe.

We can make watches in accordance with customers' requirements, providing competitive prices and novel styles for customers. With our reformed and innovative team, our orders have successfully extended from domestic to overseas markets, such as Europe, Japan, Southeast Asia and the Middle East. Our products are famous for high quality, competitive prices, complete designs and perfect sales service. We enjoy a great reputation among worldwide friends.

Join the world's big brands and choose to work with us.

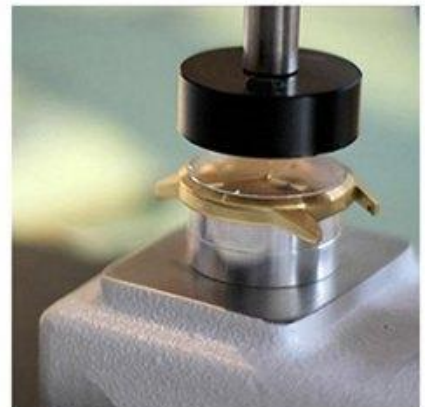

## Why do business with us:

- \* ISO International Certificate from SGS
- \* CE/RoHs Certificates
- \* Free open new mould once the quantity reach 500pcs
